

Paris, June 2023

WELCOME ! BIENVENUE !

Dear Parents,

Cours Molière will be celebrating its 100th anniversary in three years' time. Founded in 1926 by Suzanne Decrouez, our school continues to teach in accordance with its original traditions so that each student becomes a true 'citizen of the world'.

The founder of the Cours Molière - Mrs. Decrouez, England, 1958

A lifelong educator, Suzanne Decrouez was born in Paris in 1896 and graduated from Cambridge University. Each day, we endeavour to pay tribute to her conviction in opening up the world, and in teaching foreign languages from an early age - particularly, of course, English.

### A bilingual education and an ambitious project

Returning to the present, this year we would like to congratulate our High School students from Seconde to Terminale, 80% of whom have chosen to prepare for the French Baccalauréat and the American High-School Diploma.

Focusing more specifically on these figures: we are delighted that 80% of our Terminale students in the class of 2023 will have obtained their Baccalauréat on the strength of their 'spécialité' grades alone. 80%, even though 50% of our students are not French!

So this is also an opportunity to acknowledge the work of our teaching staff, who have done a remarkable job in preparing students for the Baccalauréat exams and also in supporting our students, who this year have once again been accepted into SciencesPo, Canadian universities, ESSEC, preparatory classes for the Grandes Ecoles in business and engineering... the list goes on!

With all this fantastic news, together with our eagerness to welcome you back to school in September, we'd like to wish you all a great summer and an excellent year at Cours Molière - International School!

The School Heads,

Simone Néel, Anne-Sophie Moreau & Benjamin Jarry

BACK TO SCHOOL DATES

PRESCHOOL AND PRIMARY SCHOOL CLASSES:

Maternelle TPS – Nursery / PS – Preschool

Children whose last names starts with **A to F**

Monday 4th September 09:00-04:15

Children whose last names starts with **G to N**
